

# 25" Pond yacht

An elegant model yacht with a gunter rig and simple steering gear is an ideal free sailing boat on which to learn to sail on your local pond and has the following features:

- Slim easily driven hull shape 25" long x 5" wide x 5.5" draught.
- A lead keel to give stability. This has a flat bottomed shape and stands up on its own without a stand
- Nylon sails
- A 21" high rig to top of gaff
- Rigging that can be dismantled and stored on the deck
- An adjustable steering gear and sail sheeting to suit different winds

She will make an ideal child's present and give lots of pleasure at the pondside: a bargain at **£30.**
